# KNOWLEDGE

The Messenger of Allah, peace and blessings be upon him, said, **“Seeking knowledge is an obligation upon every Muslim.”**

“Allah makes the way to Jannah easy for him who treads the path in search of knowledge.” [Muslim].

Islam builds a knowledge based society. A society of excellence.

Karima itself is the name of a great female Hadith scholar. Our foundation is knowledge.

# STUDY AND BEHAVIOUR

Please ensure that children perform wudu before coming to classes.

Please also help the children at home with supervised study time. If you have any queries about your child's work please communicate through the homework diary, speak to a member of staff after lessons or email Ustadh Bilal.

We have high expectations of all our students and promote empathy and awareness of those around them at all times.

We have a stepped approach at Karima for sanctions including: lines, privilege removal, chores and detentions -

- 15 minutes without notice
- 30 minutes detentions with 24hrs notice given to parents

# EXPECTATIONS OF STUDENTS

Respect for knowledge – we expect students to strive and persevere in each of their lessons. Remembering that Islam isn't only for 1 day a week

Pure intentions – seek knowledge for the pleasure of Allah and not to show off to others.

Act upon what you know – the entire purpose is to apply what you learn.

Re-visit their lessons – It is important for students to spend time at home memorizing or revising their work.

Good manners towards all teachers and respectful towards other pupils

Adhere strictly to the dress code

Not to take their phones or other electronics out unless for work purposes with the permission of a teacher

Be patient!

(Students should come in each week in a state of having wudu)

# ABSENCES & HOLIDAY

Attendance to all lessons is compulsory unless due to sickness. If attendance drops your child's place is at risk.

Holidays must be restricted to Karima school holiday time ONLY. If you need to apply for a holiday please get in touch before booking anything else, otherwise you risk losing your child's place at the school.

All absences need to be reported to Ustadh Bilal before 9am on the day they will not be in. If this does not happen, it will be recorded as an Unauthorised Absence and your child's place on the programme will be at risk.

All students must be in class for 9am. Persistent late comers will also be at risk of losing their place at the school.
